

G9 Capsule LED Lamp

230V

Applications:

Residential and Commercial Applications.

- Resin based housing designed to fit into fixtures that carry a G9 lampholder base.
- Direct 220V requiring no need for an LED driver.
- Powerful 3014 SMD LED Chips providing an effective 200 lumens.
- Available in Warm White, Neutral White and Cool White helping to create the perfect atmosphere.
- Wide 360° beam angle preventing dark spots whilst allowing for maximum coverage.
- Instant on LED with no warm up time.

Product Performance

Wattage	3W
Colour Temperature & Stock Code	6000K - G005 4000K - G007 3000K - G006
Operating Temperature	-10~40°C
Life Span/ LB Rating	25000hr
Beam Angle	360°
Input Voltage	200-240V
CRI	>83
Lumen Output	200 Lumens
LED Chips	SMD 3014
LED Chips Qty	64
LED Chip Brand	Sanan
Dimmable	Non Dim
Dimmable Range	-
(Dali/Trailing/Leading)	-
UGR	-

Physical Characteristics

Weight (g)	9.6
Housing Material	Resin
Product Dimensions (mm)	16*53mm
